

Dear Parent(s)/Guardian(s),

Welcome to Washington County School District Virtual learning. We are excited to work with your child(ren) this year. To learn a little more about our virtual learning offering, click here: [Secondary Virtual Learning](#) . Please note that the term “neighborhood school” refers to the brick and mortar school your child would be attending if they were not attending virtual school.

To help you get started, please read through the quick FAQs below:

Q: When does virtual school start?

A: Virtual school will start on the 13th of August with introductions and training as we transition to full instruction by the end of the second week. This will provide time for students to make sure they can login to the curriculum, meet their teacher, etc.

Q: Where do I pick up print materials for my virtual student?

A: The virtual teacher will provide information in Schoology if print materials are needed.

Q: What are the device requirements for virtual learning?

A: Please make sure the device has a webcam and the most current version of the Google Chrome browser installed. If you have any additional questions, please contact your virtual teacher or neighborhood school.

Q: I have a student with an IEP or 504. Will they receive accommodations?

A: Students will receive appropriate accommodations per their IEP or 504.

Q: How will my child access their curriculum?

A: Virtual learning students will use the Schoology learning management system. Students use their WCSD Google email and password to login to Schoology. The web address is schoolology.washk12.org . Students can also sign in to Google Chrome and access Schoology through the WASHK12 Bookmarks bar

or through their Google Apps menu

under More. If you need

the username or password for this account, please reach out to your neighborhood school.

Q: How do I, as a parent or guardian see what my child is learning?

A: Please make sure you have a PowerSchool parent account. Instructions for logging into or setting up the account can be found here: <https://washk12.org/students-and-parents/powerschool-login> . Once you have a PowerSchool parent account, you will set up a parent Schoology account. Instructions for setting up a Schoology account can be found in your PowerSchool parent account on the left-hand menu under the Schoology Navigation button. Please note that students will login using: schoolology.washk12.org while parent(s)/guardian(s) will login using app.schoolology.com/login .

For additional questions, please contact the principal at your neighborhood school.
